Texas Health to open Colleyville office

Dallas Business Journal - by [Joyce Tsai](#) Staff writer

Texas Health Resources has leased a 4,415-square-foot building at Heritage Glade Office Park in Colleyville.

The space will be used by two internal medicine doctors, said Kevin White, development associate for **Realty Capital Corp.** The office park is located at Heritage Avenue just north of Glade Road and less than a quarter of a mile west of the intersection of Highway 121 and Glade Road in Colleyville.

The office is scheduled to open in January 2010, White said. The office is nearby **Texas Health Harris Methodist Hospital Hurst-Euless-Bedford**, where physicians would likely send some of its patients for referrals.

Heritage Glade Office Park is a four-acre master-planned office and medical development by Dallas-based Realty Capital Corp. It's a four-year-old development with five buildings, only one of which is still vacant, White said.

Arlington-based Texas Health Resources is a network of 14 hospitals in North Texas, and is one of the largest nonprofit health care delivery systems in the United States.
